Keep growing your business, not your expenses. The space saving and stylish All-in-One (AiO) Touch offers impressive productivity features combined with powerful PC performance and security. See your business soar and maximize your cost of ownership.

HP recommends Windows.

Customized convenience.

Take advantage of the stylish, progressive, space-saving All-in-One design that's the perfect fit for your business. Meet your needs and your budget with the easel stand or optional VESA wall mount.¹ Help the environment with an EPEAT® Gold² rated All-in-One PC with ENERGY STAR® qualified configurations.

Solid security.

Protect data, devices and identities with HP BIOSphere³ features like HP Client Security⁴ and HP Trust Circles⁵ to make sure only approved contacts can access the files. Keep sensitive information in safe hands. HP Trust Circles⁵ protects your data by ensuring that only approved contacts can access critical files. HP BIOSphere³ helps keep unauthorized users' hands off your hard drive with HP Client Security,⁴ automatic drive lock⁶ that requires a password for power-up. Stay up and running. HP BIOS Protection⁷ offers enhanced protection against virus attacks to the BIOS and other security threats, and is designed to help prevent data loss and reduce downtime.

Professional-grade productivity.

Enjoy impressive processing combined with strong productivity features to help you power through your business day. Cruise through tasks easily and efficiently with the Intel® Core™ 4th Generation processor.⁸ Get the most from Windows 8.1⁹ with the large 21.5-inch multi-touch screen.

Intelligence in charge.

Easily share your internet connection with up to five devices.¹⁰ Connect your smart phone or tablet or help colleagues get online and improve productivity. With a 2.8x stronger charging current, the fast charging port helps compatible devices charge faster than standard USB 3.0 ports.¹¹

Footnotes

¹ Sold separately or as an optional feature.; ² EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.; ³ HP BIOSphere features may vary depending on the PC platform & configuration.; ⁴ HP Client Security requires Windows 7. Planned support for Windows 8.1 expected to ship with products beginning in December 2013.; ⁵ HP Trust Circles Standard, when included, allows up to 5 Trust Circles with up to 5 contacts in each Trust Circle. Optional Trust Circles Professional required for unrestricted number of Trust Circles and members contacts. Trust Circles Reader is available to allow a contact to participate in an invited Trust Circle. Requires Windows.; ⁶ Automatic DriveLock will work on another HP Business PC when the BIOS passwords are the same. Requires user set up.; ⁷ HP Tools partition with HP BIOS required for automatic recovery.; ⁸ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; ⁹ Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com>; ¹⁰ The wireless hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows® 8.1 or HP Connection Manager for Windows 7.; ¹¹ 2.8x compared to USB 3.0. Charging times will vary by device depending on compatibility with fast charging port.

Technical specifications disclaimers

¹ Not all features are available in all editions of Windows 8 and Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 and Windows 8.1 functionality. See <http://www.microsoft.com>; ² This system is preinstalled with Windows 7 Pro software and also comes with a license and media for Windows 8 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data. Optional accessories sold separately.; ³ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.; ⁴ Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.; ⁵ For hard drives, GB = 1 billion bytes; TB = a trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 8.1) of system disk is reserved for the system recovery software.; ⁶ Optical drives are optional or add on features. Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 Double Sided-Version 1.0 Media.; ⁷ Optical drives are optional or add on features. With Blu-Ray drive XL, certain disc, digital connection, compatibility and performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require an HDCP path and HDCP display. HD-DVD movies cannot be played on this BDXL Drive.; ⁸ Optional or add-on feature.; ⁹ HD content required to view HD images.; ¹⁰ Integrated Intel HD graphics uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.; ¹¹ ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter). Print times and connection speeds may vary.; ¹² HP PageLift requires Windows 7 or higher edition.; ¹³ Low halogen: External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.; ¹⁴ Gigabit ethernet speeds may vary.; ¹⁵ 802.11 requires wireless access point and internet service. Availability of public wireless access points limited.; ¹⁶ HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.; ¹⁷ Support Assistant requires internet access.; ¹⁸ CyberLink Power2Go (Secure Burn) is intended for your original content and other lawful uses.; ¹⁹ The HP Keyed Cable lock is an optional or add-on feature.
